Due to the Academy's unique setting, individual pupils timetables all vary as they will be dependent on the combination of Education Provider(s) a pupil attends. Regardless of the provision put in place, the Academy ensures all pupils study English, Maths, PSHE and a vocational subject and have reading opportunities.

The timetables below are an example of what a pupils timetable may look like with us;

Example 1 – Full time placement at one Education Provider;

	Breakfast club	Period 1	Break-time	Period 2	Period 3	Lunch	Period 4	Period 5
Monday		Construction		Construction	Construction		Construction	Construction
Tuesday		Reading		Construction	Construction		Construction	Construction
Wednesday		English		History	PSHE		Biology	Maths
Thursday		Maths		English	History		Biology	Enrichment
Friday		IT		English	Maths		Biology	Votes for Schools

Example 2 – Pupil attends 2 education providers. 1 education provider leads on the core subject delivery and the other education provider leads on the vocational delivery;

	Breakfast club	Period 1	Break-time	Period 2	Period 3	Lunch	Period 4	Period 5
Monday		Reading		Mechanics	Construction		Sport	Duke of Edinburgh
Tuesday		Reading		Construction	Sport		Mechanics	PSHE
Wednesday		English		Science	Product Design		Maths	Science
Thursday		Maths		English	PSHE		Product Design	Assembly
Friday		Science		Maths	English		Product Design	Enrichment

The timings across 2 providers may vary in terms of start and finish times and break and lunch times.
